

100% renewable electricity for my business

The E.ON logo is rendered in a bold, red, lowercase sans-serif font.

Declaration

**Electricity supplied by E.ON consumed at your sites is backed by
100% renewable sources¹**

E.ON declares that it will procure sufficient electricity from renewable sources¹
to match your metered electricity consumption for the contract period.

A handwritten signature in black ink, appearing to read 'G. Baker'.

Gill Baker
Director of Smart Field Connections
Smart Field Connections and EIS

¹Electricity sourced from E.ON's renewable generation assets, supply agreements with independent UK renewable generators and the purchase of renewable electricity certificates. The electricity supplied comes from the National Grid.
